At home

Please share your child's book with them. You could talk about ...

- What has happened in the book?
- Is the book a story book or an information book?
- What happened at the beginning, in the middle and at the end of the book?
- Did you enjoy the book? Why? Why not?

Please make a comment in their reading record as we would love to know how you have been getting on at home.

Top Tip!

Help your child to learn through talking and sharing their experiences.
