

Congratulations to the Tag Rugby team at Wren's Nest Primary School!

On Thursday 20th October Wren's Nest Primary took part in their first sports competition of the year. We had a fantastic team of 12 pupils and they all played their very best. We played brilliantly and well enough to qualify for the next round- the Dudley finals!

Hopefully, we will win this and get entered into the Black Country Games. Let's keep our fingers crossed!

Well done team.

**A HUGE well done to the
Wren's Nest Athletic team.**

**They all competed
amazingly and came first!**

**We will now be entered
into the Black Country
Games in June.**

#winners!

#smashed it!

Cross Country Results

On Saturday 11th March our Cross Country team performed brilliantly at the Dudley Schools Cross Country Championships.

The course was challenging and the mud and cold wind made this race tough!

The children came between 38th and 104th out of 150 children.

**They all ran their hearts out.
Fantastic effort team!**

I wonder who will make the team next year?

Congratulations to the Tag Rugby Team!

On Tuesday 14th March the Wren's Nest Rugby team took part in the Rugby finals. The team played incredibly well together and was lead by an impressive team captain Lucas. The team came 4th out of the 12 best schools in Dudley. Well done team!

Players of the tournament go to
Leo and Ella!

Go Wrenna!
