

Cross Country

On Saturday 11th March 2017 the Cross Country Team went to Baggeridge to run a mile. Prior to our visit, we had to meet at the back gate of Wren's Nest School. So after a while, the mini bus for us to go to Baggeridge. When we got to Baggeridge, Miss Carr pinned on our numbers to our t-shirts. After Lucas showed us round the course, we knew where to go. If we did get lost round the course there would be stewards to help us go the right way.

So we went on a huge field and we got our instructions from the instructors we all had pictures taking of us by Miss Carr and Miss Cubberly. When the horn was blown, every single girl sprinted. After a couple of minutes we started running by a **VERY MUDDY** gate. After the gate, we started running on a rocky path where the big hill was. After we ran over the hill there were some stewards showing us the way into a forest, in a **VERY MUDDY** forest. When we came out of the forest we started to sprint to the finish line. Well we tried to sprint but the mud kept slowing us down so we tried our best to win.

When we were at the finish line a lady handed us a raffle ticket and Maja's position was 42nd. Danica came 48th, Keah came right after Danica so she obviously came 49th and after Keah was Morgan with the 58th place and Natasha came 60th.

When the girls got their tickets it was time for the boys to race. So when the horn blew every boy sprinted to the front. As soon as the boys ran Lucas sprinted to the front but when the mud started to start it was getting harder and harder. So when they got to the hill it was getting quite hard for Lucas and the rest of the boys. As soon as they got to the forest they were slowing down. But as they saw the finish line every boy speeded up. So as Lucas got to the finish line he got his raffle ticket. Lucas was 38th, Brandon was 48th Dylan was 88th, James was 91st and Ryan was 104th. It was a great day for Wren's Nest, we all had fun, but unfortunately we didn't win. No-one came through only the top 20.
