To copy some letters in our name and begin to form some recognisable letters independently

To demonstrate an awareness of rhyme and alliteration

To know numbers identify how many objects are in a set and recognise numbers in order to 10 and beyond

To show care and concern for living things and the environment.

To use available resources to create props to support play.

At home

Please share your child's book with them; you could talk about:

- What happened in the book,
- If it is a story book or an information book.
- What happens at the beginning, the middle and the end,
- Whether your child liked the book or not and why.

Please make a comment in their reading record as we would love to know how you have been getting on at home.
