Summer Term 2017

Trips:

Wroxeter Roman City linked to Topic - April
Sycamore Adventure linked to PSHE - June (TBC)
Sandwell Park Farm linked to Science - July (TBC)
Enrichment Day - TBC

Literacy: Children will continue to enjoy focused, fast paced lessons to support their reading and writing in phonics. During Literacy and Language children will also be introduced to new unit which will focus on mystery stories and non-chronological reports. They will also have the opportunity to discuss the language used, understand the features and learn the meaning of new vocabulary.

Numeracy: Children will continue to develop their mathematics through use of number and place value, knowledge and understanding of the 4 number operations, fractions, measurement and shape. They will use and apply this knowledge to solve a range of problems to develop their reasoning and fluency for each topic.

Science:

Animals including Humans - 1st half term
Plants - 2nd half term

RE: Hindus and Sikhs

Geography: Roman expansion.

Design and Technology:

Roman mosaics

ICT: Computing

Research linked to topic work.

History: Roman invasion of Britain

Music: Reading music and playing recorders

Modern languages: German

Physical Education: Indoor and outdoor activities.

Home work:

Please help your child with reading.

Please help your child learn spellings and complete work in their homework folder.

Help your child learn, through talking and sharing their experiences!
