"With support and fantastic opportunities my five children have all excelled at Wren's Nest. I am proud of what they have achieved and couldn't wish for a better school. Living on a deprived area that does not have many opportunities our children are able to achieve the same if not better results as any other high achieving school."

"Excellent School"

"When I had a problem with my child the staff were very very helpful."

"This school has a superb way of rewarding children who try hard, do well and respect others. The Headteacher is a very good role (Love the school)."

Ideas: "Professional led school clubs ie dance. School pet: children to look after as a reward for behaviour"

"Wren's Nest is not only a wonderful school Wren's nets serves its community and support us all with any issue us as parents may have. Staff are friendly and only want the best for our children. A happy child = a happy parents, that's how I see my Wren's Nest!"

My child started Nursery in September 2015 and has made tremendous progress. The staff have been wonderful with her, helping her with her learning and physical needs. I have chosen Wren's Nest for her Reception place as I believe they can offer her the support she needs. Also, whenever I have a question there is always someone available. The school is well led by Mrs Wylie.

"Please keep up the fantastic work"

"Since coming here from September 2015 Marshall has made incredible progress in his literacy and actually enjoys learning now, which he did not before. He even goes the extra mile asking us to read with him and do maths with him. Exceptional school. McKenzie started her 6 weeks ago from another school where he was dreadfully unhappy. However he is now thriving and really enjoying school,. He tells us every day how happy he is and how good the teachers are. As carers we are so pleased with the support and time that Wren's Nest place in our children. Thank you very much."

"Mrs Wylie is a very good Headteacher."
