

PRIVACY NOTICE - DATA PROTECTION ACT 1998

The School uses information about children for whom it provides services, to enable it to carry out specific functions for which it is responsible, below are a list of services used by the school where sharing pupil data is needed.

Education City

Education City provides access a wide range of on-line resources to Dudley schools. They have recently added a revision and assessment tool which requires individual pupil information, taken from the schools management information system. The information allows the setting up of an individual record for each pupil so as to monitor their progress whilst working through Education City activities in school or at home if appropriate.

For further information, please refer to the [Education City](#) website.
If you are unable to access the website the postal address is:
EducationCity.com, 8/9 Saddlers Court, Oakham Rutland, LE15 7GH

Just2easy

J2E is an online creativity tool designed for education. It provides access to a range of on-line tools and resources for pupils and teachers. Access to the J2E resources is through the school's learning platform provided by RM Education. Year 5/6 access J2E via a desktop shortcut using security password.

For further information, please refer to the [Just2easy](#) website
If you are unable to access the website the postal address is:
Just2easy Limited, Digital House, Stourport Road, Kidderminster, DY11 7QH.

RM Education

Dudley schools receive a number of services delivered through the ICT managed service provided by RM Education plc (RM). These arrangements are overseen on behalf of schools who have signed up to the service by Dudley Grid for Learning (DGfL) - a Division of the Directorate of Children's Services (DCS), for Dudley Local Authority.

A number of Data Processing agreements in place with RM, covering services such as RM's school management information system, RM Learning Platform. These systems make some use of personal data which is held away from school at secure data centres with the RM group.

For further information, please refer to the [RM Education](#) website.
If you are unable to access the website the postal address is:
RM Education Plc, 183 Milton Park, Abingdon, Oxfordshire OX14 4SE

Sumdog

Sumdog provides educational games where pupils compete against their peers both nationally and globally, which motivates them to practise Maths and Reading.

Sumdog is hosted completely on-line and is web browser driven. Access to Sumdog resources requires an individual username and password which is created by school. This allows the creation of an individual record for each pupil, to monitor progress and personalise target setting.

Children are also able to access Sumdog outside of school.

For further information, please refer to the Sumdog website www.sumdog.com

If you are unable to access the website the postal address is:

Sumdog, c/o Crocodile Clips Ltd 43 Queensferry Street Lane, Edinburgh EH2 4PF.
