

The Sports Relief Mile Report

By Charlotte Jones

On Wednesday 23rd March we took part in the Sports Relief Mile. We were running the mile to be active and raise money for charity.

Before I started running I had butterflies in my stomach and I felt a little bit sick.

When it came to be Year 5's turn to race I went to the front and started running people thought I couldn't do it but I ran the first lap quickly. I enjoyed the first lap but when it came to the second lap I thought that I'd finished but I had to do another 12 laps!

By the time I had done 5 laps I couldn't carry on.

I tried to run as many laps as I could and I did it with a little walking in between.

I wasn't able to be the fastest girl in the year but I tried. Miss Wilkins said, "It's about taking part not about winning..." also Miss Jeffery explained "If you enjoyed yourself, you should be proud..."

I can't wait for another chance to do the Sports Relief Mile.
