

# Wren's Nest Primary School

KS2 Year 4

## Curriculum information for parents

Responsibility

A sense of Community

Ambition

Environment

### Spring Term 2018

#### Trips:

Fire Service SPARKS visit in school - Thursday 1<sup>st</sup> February

INSPIRE Workshop - Friday 2<sup>nd</sup> February

Sycamore Adventure Centre - Friday 16<sup>th</sup> February

Thinktank Electricity - Wednesday 28<sup>th</sup> March

**Literacy:** In Literacy, children will be introduced to a new scheme for Literacy and Language. Through drama and discussion the children will learn how to read, memorise and recite a rhyming narrative verse and use this to write their own narrative story. They will also be exploring non-fiction texts which will result in writing an explanation text.

**Numeracy:** Children will continue to develop their number work focussing in particular on multiplication and division and applying this to area. They will also explore fractions and decimals and apply them to a range of problems involving reasoning.

**Science: Electricity**

**Geography: North America**

**ICT: Computing**

**Art: Studying art in different cultures including the Natives of North America**

**D&T: Design and make a Totem Pole**

**Religious Education: Judaism and Christianity**

**PHSE: Dot.Com program "I am special"**

**Music: Call and response music games**

**Physical Education: Dance and racket and ball games**

**Languages: German**

#### Home work:

Please help your child with reading and try to listen to them regularly.  
Please help your child with their homework, which will reflect the weeks  
Literacy/Numeracy lessons.

The children are learning all of their times tables. Please help them to do this.

**Help your child learn, through talking and sharing their experiences!**
