Community

Spring Term 2018

Trips:

Birmingham Museum and Art Gallery - Wednesday 31st January

Birmingham Botanical Gardens - Wednesday 28th March

Enrichment Day - Friday 23rd March

Literacy: During phonics children will continue to enjoy focused, fast paced lessons to support their reading and writing. Children will also be introduced to new unit which will focus on science fiction and poetry. They will also have the opportunity to discuss the language used, understand the features and learn the meaning of new vocabulary.

Numeracy: Children will continue to develop their mathematics through use of number and place value, knowledge and understanding of the 4 number operations, fractions, measurement and shape. They will use and apply this knowledge to solve a range of problems to develop their reasoning and fluency for each topic.

Science:

Light – Spring 1

Plants – Spring 2

RE: Stories of Jesus and Easter

Topic: Geography

Origins of the Anglo-Saxons
