

# **Congratulations to the Tag Rugby team at Wren's Nest Primary School!**

On Thursday 20th October Wren's Nest Primary took part in their first sports competition of the year. We had a fantastic team of 12 pupils and they all played their very best. We played brilliantly and well enough to qualify for the next round- the Dudley finals! Hopefully, we will win this and get entered into the Black Country Games. Let's keep our fingers crossed!

**Well done team.**

# Football Match report

## Wren's Nest vs Foxyards

### 08/03/18

## Final Score 5-3

On Thursday 8<sup>th</sup> March, our Year 5/6 football team played a home fixture against Foxyards Primary School. In the first half, we had to dig deep and defend, as Foxyards came on strong. They looked the dominant side, although Martin and the defence worked hard to keep them at bay.

Early into the second half, Foxyards went 4-1 ahead. Our heads were starting to drop and the weather was closing in. However, we remained composed and began to fight our way back into the match. Precious was able to find his form in front of goal, and some of the link up play between our attacking players, such as Lewis and Richie, was proving successful. Unfortunately, however, the clock was against us. By the final whistle, we managed to reduce the deficit to two goals, but we'd left ourselves too much to do.

**WELL DONE EVERYONE!**

**A HUGE  
congratulations to the athletics  
team!!!!**

*On Wednesday 21st March the Wren's  
Nest Athletics team took part in the In-  
door Sportshall event.*

*I am very pleased to announce that the  
children won the competition and will now  
be attending the **Level 3 Black Country  
Games** sometime in June!*
